Re: Proposition 12 funding distribution

Dear Chairman Morabito and members of the Board,

The March 2000 park bond, Proposition 12, allocated funds to acquire additional parkland in southern Orange County. The stakeholders, Laguna Canyon Foundation, the City of Laguna Beach and the County of Orange, are working with Trust for Public Land to utilize these funds to acquire additional land for the regional South Coast Wilderness system of parks and preserves which includes Laguna Coast Wilderness Park.

Your March 2004 meeting agenda will include two funding requests for land acquisition for parkland. We support the acquisition of the Trinity Christian Center and Wainwright parcels for addition to Laguna Coast Wilderness Park. We ask that you approve the funding allocation for these two properties. Thank you for considering our request.

Very truly yours,

Mary Fegraus, Executive Director
Laguna Canyon Foundation
